

2 DAYS PRIVATE SAFARI TSAVO EAST

DAY 1

06:00 – Early morning pick up from hotel, drive through Mombasa city and onto the ‘Mombasa – Nairobi’ highway. On the way there is a short break where you can have your breakfast, refreshments or buy souvenirs. Time of arrival at Tsavo East National Park Buchuma gate (around 120 km from Mombasa center) is highly dependent on traffic conditions (between 2-3 hours).

Tsavo East National Park covers an area of 13,747 km² – this spacious, savannah landscape is mainly covered by dry bush and acacia trees. The Galana River with its magnificent Lugard Falls crosses through the Park, and on the horizon lies the 300 km long Yatta Plateau. Tsavo East is famous for its red elephants, zebras, giraffes and many different species of antelope. It is also a perfect location to observe almost 500 various species of birds.

Once in the Park you begin the Game Drive with an experienced guide-driver who will help you search for animals based on his experience as well as contacting other drivers through CB Radio or mobile phone.

12:00-13:00 ~arriving at Lodge/Camp for buffet lunch and room check-in. After lunch there will be some time to relax or cool down in the hotel's swimming pool.

Around 16:00 when air temperature drops down the animals become more active making it an ideal time for another Game Drive . You will be looking for animals and admiring the views until 18:00 ~ 18:30 (it is not allowed to drive in the Park after dark).

Dinner and overnight stay in the lodge/camp. Possibility to observe animals from the hotel terrace which has a view overlooking the waterhole.

DAY 2

Wake up early in the morning to leave for a Game Drive at 06:00. There is tea/coffee available in the hall before the drive. This is an awesome time to be out in the wild before the animals retreat into the shades before the heat intensifies as the day progresses. Best time to take photographs.

08:00 breakfast in the hotel
